

# Worried about a child?

---

**Deal Me Out does not investigate reports of abuse or neglect. Please see below for advice on who to contact if you have concerns about a child .**

## **Reporting a concern:**

**It can be difficult to know what to do if you think a child is at risk. It's important to remember that if you've spotted things that don't seem right, others will have too. Speaking up can make sure that child gets help as soon as possible.**

**The sooner you contact your local children's social care duty team, the quicker they can act. They're available 24 hours a day, and can make an anonymous report if that feels safer.**

**Report child abuse or neglect to your local council.**
